Job announcement: Visiting Professor
Mahidol University
Faculty of Social Sciences and Humanities

The Department of Society and Health invites applications for a Visiting Professorship, beginning 1st August 2016. The candidate will be appointed to the Department of Society and Health in the Faculty of Social Sciences and Humanities. The employment contract is 12 months and renewable depending on agreements of both the Faculty of Social Science and Humanities and the visiting scholar.

The candidate must have a doctorate degree in social sciences related to health, public health and health policy with a strong record of achievement in research and publications. The experiences in training, advocacy and networking is particularly advantageous. Candidates who can demonstrate a high potential for establishment of an externally funded research program will be considered an asset. Fluency in the English Language is required.

The visiting professor is expected to organize, manage and/or teach in 1 short training course in the area of health social sciences, develop a paper and publication through possible collaborative research with department staffs, create networking and fundraising activities amongst potential agencies, and teaching at graduate level including supervising and providing academic assistance to students.

Applicants should submit a letter of interest, a curriculum vitae and academic papers, and names and contact addresses of two referees, to be sent no later than **31st August 2016** to society.health.hr@gmail.com

For questions, please contact the Search Committee Chair, Dr. Penchan Sherer (shererpenchan@gmail.com). Review of applications will begin in **1st September of 2016** and continue until the position is filled.
